Wednesday 19th April 2017

Dear Parents/Carers,

I hope that you and your family have had a wonderful Easter break and that you are well-rested and ready for the summer term.

School renovations:

Over the Easter holidays, there have been several exciting renovations that have taken place in school. Our school entrance has been redecorated and looks so much brighter and spacious. The children in Reception and Key Stage One have had brand new toileting facilities installed. Our school library has been extended and we will begin further renovations to our library this term. Finally our computer suite is now complete and ready for the children to use. Please take the opportunity to look at all these exciting renovations when you are next in school.

Easter Fair:

I would like to thank all of our children and families for helping to raise £272 at our Easter Fair. We really appreciate your generosity as these funds will be used to renovate the school library during the summer term.

Parents' Meetings:

Parents' Meetings will take place next week. Meetings for Year 3 to Year 6 will take place on Tuesday 25th April and meetings for Nursery to Year 2 will take place on Wednesday 26th April. Timetables for these meetings will be available outside each classroom from tomorrow morning. Thank you in advance for supporting your child/ren by attending these important meetings to discuss their progress and attainment.

100% Attendance Award:

Children who have achieved 100% attendance during the spring term will receive a special award on Friday 28th April. If your child attended school every day last term, you will receive a letter this week inviting them to this special celebration dinner. Congratulations and well-done to the 41 children who achieved this and thank you to our families for supporting their children with their attendance.

House Team Award:

Congratulations to Rubies for being the winning House Team last term. The children will be meeting this week to decide how they would like to celebrate this wonderful achievement. Well-done Rubies for being excellent role models for behavior and learning!

Best wishes,
Zaira Cook
