Well-done Year 1 & Year 5!

The classes with the best Punctuality last week were:
Nursery, Year 1, and Year 5
Fantastic 0 lates!

Birthday Celebrations:

At Horton Mill we like to celebrate the children's birthdays as a school by letting them come into school in non-uniform to celebrate their special day.

Some parents very kindly choose to let their children bring in a 'party bag' for their friends. Can I please remind our families that there should not be any cakes, sweets or chocolates brought into school as some children have allergies and we want encourage healthy choices.

Key Information

Classroom Changes:

Over the next week you will notice that the Year 2 to Year 5 classrooms will have their partitions opened so that the classrooms will have a door. This is to help our children be able to fully concentrate on their learning and help them manage any distractions.

All our families will still be welcome to come and join the children with their early morning learning activities.

Year 2 Classroom:

To maintain our high standards for Health and Safety, we are asking families to use the entrance near the school library to collect the children at the end of the day, thank you.
