Class Newsletters:

Your child will bring home a curriculum newsletter so that you know what they are learning across the curriculum this half term. Please take some time to discuss this with your child so that they can share their exciting learning with you!

Within the newsletter, it will also provide important dates, including dates for parents to come and join us for Christmas Workshops.

Key Information

Thank you for your patience!
To all of our families, I would like to thank you all for your patience and co-operation this week as we have been adapting to our new system for bringing and collecting the children to school.

I understand that this new system will take some getting used to and that can lead to some frustration but ultimately I know we are all working together to make sure our children are safe.

Please be assured that we will continue to do everything we can to make sure that our families are very much part of our school community. There is a brief questionnaire to see how you can still be involved!
