

Horton Mill Community Primary School

Sports Premium Action Plan 2018 – 2019

At Horton Mill we value our Sports provision highly and we provide all our pupils with a broad spectrum of sporting activities and quality physical education lessons including access to excellent sports provision throughout the academic year. Our aim is to help our pupils make healthy lifestyle choices and develop their skills to enable them to reach their full potential, in addition to improving their attainment and achievement in physical education and a variety of sports. Pupils are encouraged to further develop their enjoyment and skills in PE by becoming a member of our after school clubs which offer an extensive range of activities. Where our pupils demonstrate higher levels of ability, they are selected to represent the school in competitions, events and tournaments and encouraged to join local clubs and teams out of school.

To support the effective implementation of Sports Premium funding and to enhance the quality of sporting / lifestyles provision in school, we plan and deliver sessions alongside specialists from Oldham School Development, with pupils from Nursery to Year Six.

Priority 1: To increase the participation, engagement and experiences of all pupils in high quality physical activity and school sport.
