Key Information

Attendance:

Currently, our whole school attendance is 95.1% and this is below the national target of 96%.

We have been advised by our school attendance officer to remind our families that appointments for the dentist, doctors or opticians need to be booked outside of the school day.

Also, a reminder that taking children out of school/country during term time is **unauthorised** and could result in a fixed penalty notice or a child being taken off the school roll.

Thank you for continued support in these matters.

Congratulations

Punctuality & Attendance:

The class with the best Attendance last week was:

Years 6 with 97.4%

Well-done Year 6!

Staff Car Park:

A kind reminder to our families that the staff car park is for staff use **only**.

This is to ensure the safety of our children, staff and families as well as to prevent any potential damage to vehicles.

Thank you for your support.

Global Week:

Next week, each class will learn about a different country from around the world.

Ask your child about which country they are learning about!
